<p style="text-align: center;"><u>FROM THE PULPIT LAST SUNDAY 01/03/26</u></p> <p>Topic: Spiritual Growth through Service Text: Ephesians 4:11-16 Speaker: Revd. Tope Olabode</p> <ul style="list-style-type: none"> * God came as man to save and furnish those who believe for service. * By giving us gifts to function with, he equips believers to serve in different capacities * One of the goals of God's gifting to believers is to build the body of Christ. * Building the Body is therefore one major goal to which every believer must be committed. * Perfecting of the saints is still necessary as a further or advancement process of each believer. * By implication, every saint needs the service of others to be made perfect. * Indicators of perfection include coming to the unity of faith, knowledge of the Son of God, maturity and reaching to the very height of Christ's full stature. * God has no desire that members of the body remain or continue as children, tossed here and there by winds of doctrine * If a service does not emanate from and glorify the Lord Jesus, it is not approved of God. * Going out for soul winning and follow up is pleasing to God. * No one is expected to operate as a parasite or remain inactive within the body of Christ. * We owe it a responsibility to God to contribute to Christian growth/maturity. * It is part of our spiritual growth to render acceptable service towards the growth and maturity of the body of Christ. 	<ol style="list-style-type: none"> <ol style="list-style-type: none"> Ministering Wed., 11/03/26: Mrs. O.C. English, though without an official status, is widely spoken throughout the country. Islam is the official and predominant religion in Jordan with about 92% adherents who are Sunni Muslims. Islamic and Christian studies are offered to students but are not mandatory and do not factor into the University entry school exams. Jordan has laws promoting religious freedom, but they fall short of protecting all minority groups. Muslims who convert to another religion as well as missionaries face societal and legal discrimination.</p> <p>Pray that the Lord will send more labourers into Jordan and that the light of Christ will prevail over the gross darkness in the people's hearts.</p> <p style="text-align: center;">Praying for Nigeria: Zambara State</p> <p>Zamfara State, with a population of 5.3m, is predominantly Hausa and Fulani with a significant presence of Anka, Gummi, Bukkuyum, Gbiriwa, Burmawa, Gwari, Dukawa, Zabarma, Kamuku, and Kambari people.
