You will leave this special worship service much better than you came. All you need do is, allow God to have His way. You will go home richly blessed, in Jesus Name. Amen. You are welcome.

FROM THE PULPIT LAST SUNDAY 18/08/24

Topic : Fear And Procrastination
 Text : Judges 6 : 1 - 14 ; Proverbs 22 : 13.
 Speaker :Revd. Dr. Ebenezer Kayode

- *Advancing in age is an opportunity to brace new visions and purpose in life, it is not a death sentence.
- *There are so many things bringing us fear in this life but our weapons of warfare are not carnal (2 Corinthians 10:14).
- *Learn to use your weapons to fight the enemy as Christians , we should not use the weapons of the world to fight the world.
- *Christians bribe others to get what they want instead of using our own weapons.
- *As Christians our own weapons are different from that of the world (Galatians 5:23).
- *Our weapon starts with love. Love means that even when we fight or rebuke others we do it in love.
- *The love of God makes things to work the way God designs it to work.
- *The fruit of the Spirit makes us adequately equipped to fight the battles of life and win.
- *Living according to His word makes you to be defended in times of war because God makes our weapons potent.
- *When you stand right or do things right God will defend you.
- *If we fight with grace and the weapons of God then we will be victorious. *We should not use backbiting, evil report, gossiping etc. to fight because these are weapons of the enemy.
