WELCOME TO THE HOUSE OF THE LORD

A warm hand of fellowship is extended to every worshipper. As we hear reports about our mission activities carried out in the last outreach, our prayers is that we shall all be challenged to labour more to rescue more perishing souls. The Holy Spirit may lay a particular burden on your heart as you listen to the reports, don't hesitate to obey. May our labours of love be rewarded. In Jesus' name. Amen. .

FROM THE PULPIT LAST SUNDAY 17/11/24

Topic : Why Go In This Thy Might?
Text : Judges 6 : 1 - 2 ; Isaiah 5 : 1 - 7
Speaker : Revd. S. O. Oladejo

- *When God want to write your account, will He start by saying you did evil in the sight of the Lord like the Israelites or it will start that we did well ?
- *If God were to write about Nigeria today too, it might start like Judges 6:1.
- *When God needs people or someone to use he can say God in this thy might.
- *When God also want to deliver his people he can also say Go in this thy might.
- *We can also bring some situations by disobedience or through others disobedience.
- *God is interested in our end and He will do what He needs to do to bring us expected end.
- *Whenever we do evil in the sight of God or disobey God we must repent of our sins so that we won't suffer the consequences.
- *Walk aright don't follow the way of the flesh.
- *It is also a call for our nation to repent and return to God because there are so many evil going on in our nation, we have followed the part of evil.
- *The prayer of Jesus doesn't work for those who are disobedient to the word of God or living in wickedness.
- *When faced with suffering or wickedness, we should follow examples of those in the Bible and God will make a way out for us.
- *When faced with suffering we should look at the glory that is set before us like Jesus Christ did and endure.
- *When God prepares you and chastereth you so you can produce more fruits, don't be offended.
- *Some people think God is too kind to punish us; but God can send the canker worm but He can also remove it (Joel 2:25).
- *By the time God panel beats you and repairs you, you will be more beautiful than those who have not passed through panel beating (challenges and issues).
- *God also encourages and strengthens those who believe in Him.
- *God will draw your attention like He did to Moses and the burning bush and the way He did to Jonah.
- *The vision of God will give you strength and ability to carry out His command.
- *Let us look inward and check ourselves are we still on the right path, and make amends.
- *If you want outstanding victory, allow God to use you.
